Sejak masa pandemi Covid-19 Pengadilan Negeri mulai menerapkan persidangan perkara pidana secara online, termasuk Pengadilan Negeri Purwokerto. Penelitian ini bertujuan untuk mengetahui implementasi persidangan pidana online selama masa pencegahan penyebaran Covid-19 dan mengetahui pelaksanaan persidangan pidana secara online selama masa pencegahan penyebaran Covid-19 sudah sesuai dengan asas-asas peradilan yang baik atau tidak dengan mengambil studi di Pengadilan Negeri Purwokerto. Penelitian menggunakan metode penelitian yuridis empiris dengan spesifikasi penelitian deskriptif. Jenis dan sumber data yang digunakan adalah data primer dan data sekunder yang diperoleh dengan cara wawancara terhadap narasumber. Metode penyajian data adalah teks naratif. Hasil penelitian menunjukkan bahwa implementasi persidangan pidana secara online selama masa pencegahan penyebaran Covid-19 di Pengadilan Negeri Purwokerto pelaksanaan persidangan sudah sesuai dengan dasar aturan namun terkendala oleh kendala saat pelaksanaan persidangan pidana online, seperti sinyal internet yang tidak stabil dan keterbatasan anggaran kantor untuk melengkapi perangkat teknologi informasi dan komunikasi, audio visual dan sarana teknologi lainnya serta penerapan asas-asas peradilan yang baik pada persidangan pidana online di Pengadilan Negeri Purwokerto sudah diterapkan.

Kata kunci: Persidangan Pidana, Persidangan Online, dan Asas Peradilan Pidana.

ABSTRACT**IMPLEMENTATION OF ONLINE CRIMINAL TRIALS DURING THE
PREVENTION OF THE SPREAD OF COVID-19
(Study at the Purwokerto District Court)**
