

CHAPTER V

CONCLUSIONS AND IMPLICATIONS

A. Conclusions

Based on the results of research and analysis, the following conclusions were obtained:

1. The role variable of BUMDes Gemah Ripah has no effect and is not significant to the performance variable of KWT Srikandi. This means that the lower the role of BUMDes Gemah Ripah, the performance of KWT Srikandi will not decrease.
2. Gemah Ripah's BUMDes partnership variable has a positive and significant effect on the performance variable of Sri Kandi's KWT. This means that the higher the partnership of BUMDes Gemah Ripah, the performance of KWT Srikandi will increase.
3. The variable role of BUMDes Gemah Ripah and partnersihp jointly has a positive and significant effect on the performance of KWT Sri Kandi. This means that the higher the role of BUMDes Gemah Ripah through the partnersihp strategy, the performance of KWT Sri Kandi will increase.

B. Implication

Based on the conclusions, the implications in this study are as follows:

1. The results showed that there was no influence on the role of BUMDes Gemah Ripah on the performance of KWT Sri Kandi, this is because the focus of BUMDes Gemah Ripah which generates income and income, therefore in addition to increasing income, it is expected that BUMDes Gemah Ripah also.
2. The results showed that there is an influence of partnerships on the performance of KWT Sri Kandi, establishing cooperation can improve performance, therefore continue to improve cooperation with various parties, in addition to supporting income increase, it also supports

performance improvement because of the many programs carried out through cooperation that is established.

3. The results showed that there is an influence on the role of BUMDes Gemah Ripah and partnerships together on the performance of KWT Sri Kandi, this shows that if BUMDes Gemah Ripah carries out its role through partnership strategies with various parties, it will improve the performance of KWT Sri Kandi. Therefore, in carrying out the role of BUMDes, it should be applied by cooperation or partnering with other parties.
