I will take responsibility for this. It was my mistake. It was on the card. Horrible mistake, but the right thing i can show it to you rigt here. The first runner up is Colombia. It is my mistake. Celebrate night. Please don't regret the ladies. Please dont. We feel so badly. But celebrate night. Thank you all.

#### On Press Conference

You know, it was my mistake. The card said (it was) the first runner up. I just didn't read the first runner up. I feel horrible for the two women. I feel horrible for the mistake. I feel horrible for the fans. It was a mistake. It was an honest mistake. All I can do was.... (when I got back) I start reading the card which is turned back around. You tried to fix it but (you don't know how to do that). Many people watching me on the TV. Ah..... you know they blame me. It did deserve happen that way. But it happened for an honest mistake. So I'll take questions....

Q: "Steve, how long did it take you from reading the name before you git word in your earpit that it was incorrect?"

SH: "well, it wasn't in my earpit. I walked all the way back. And I standing and read the card. And I started reading the card and it said wrong. So you all know, I came in and out. I made a mistake. I didn't remember the mmmm person, you know.

Q: "who was the first person who told you it was incorrect?"

SH: “well, I asked ‘did I make a mistake?’ then, something crowded in my ear. That was. That was a lot of bamm, wooww, wowww, wowww.”

Q: “ (Not clear)

SH: “ (Not clear) th-th-th-th there’s no training, i was at rehearsal. I made rehearsal. I made a mistake. I didn’t read first runner-up on the card, when I said the words ‘Miss Universe 2015’. Mmmmmmmmm I’ll check the name on the card. That’s a mistake. This was not about training.

Q: (Not clear)

SH: “I went to rehearsal. Okay, so this is not a whole new kind. What do you want me to tell you? It’s never happened before. Steve Harvey never hosted. (Applause) I just made a mistake. Nah, do i have to be here? No, I don’t. Can I just go home? Yes, I could. But I never may. I made a mistake. I’m standing here. It has never happened before, and it may not happened again but it happened today. But the right person got crowned Miss Universe, Pia.

Q: “Steve, I think you are very brave to be here because you don’t have to be here. Don’t you think it was a little bit humiliating for the, for the Miss Columbia?”

SH: “ Ah... I would imagine. So, I could imagine that. So horrible... My God. Okay if I could redo this, I’d do it all over again. I promise you I would. But there’s a time for funny, there’s a time for serious.”

Q: “But can you (not clear). Columbia. That this women doesn’t have a good (talk) about you?”

SH: “ You don’t have to talk about me. You know, I understand, I’m okay, I’m okay. I came out to correct a mistake. (not clear) all

about me, mmmmmmmmm all mmmmmmmmm behind. We will have you promise you, we will mmmmmmmmm. I promise you, I'll fix it all, I feel horrible for this young woman. I feel horrible for her, her friends'fans. I feel horrible. I made a mistake.
