

## ABSTRAK

Penelitian dengan judul “Analisis Kebijakan Luar Negeri Filipina Terhadap China Dalam Konflik Laut China Selatan Pada Masa Presiden Rodrigo Duterte” membahas mengenai respon Filipina melalui kebijakan luar negerinya terhadap tindakan China di kawasan Laut China Selatan (LCS) ditengah konflik yang sedang berjalan diantara kedua negara tersebut. Penulis melihat bagaimana kecenderungan pemerintah Filipina pada masa presiden Rodrigo Duterte memilih untuk mendekati diri dengan China dengan melakukan kerja sama bilateral di berbagai sektor. Pendekatan yang dilakukan Duterte diharapkan mampu meredam tensi konflik yang berlangsung di LCS.

Kata kunci: Filipina, China, Laut China Selatan, Kerja Sama, Konflik

## ABSTRACT

The research entitled "Analysis of Philippine Foreign Policy Against China in the South China Sea Conflict During President Rodrigo Duterte" discusses the response of the Philippines through its foreign policy to China's actions in the South China Sea (LCS) region amid the ongoing conflict between the two countries. . The author looks at the tendency of the Philippine government under President Rodrigo Duterte to choose to get closer to China by conducting bilateral cooperation in various sectors. It is hoped that the approach taken by Duterte will be able to reduce the tension of conflicts that are taking place in the South China Sea.

Keywords: Philippine, China, South China Sea, Cooperation, Conflict.
