## APPENDICES

### Synopsis of *Game of Thrones* (2011)

*Game of Thrones* is a fantasy drama television series from HBO directed by David Benioff and D. B. Weiss. This Series is an adaptation from a fantasy novels entitled *A Song of Ice and Fire* written by George R. R. Martin. It premiered on April 17 2011 and finished on May 19 2019 consists with 73 episodes over eight seasons. The story begins with Robert Baratheon, King of Westeros asked his old friend, Lord Eddard Stark to serve as the Hand of the King since the previous Hand was assassinated. Eddard accepted and departed from the North to the capital of King's Landing. Later, Queen Cersei Lannister's family built a plot to take over the power as well as Targaryens family were trying to regain the throne. By the death of King Robert, higher nobility of powerful families which are Targaryen, Lannisters, Tyrell, Starks, Martell, Baratheons, Greyjoys, and boltons are fighting in battle for the iron throne.

Margaery Tyrell is a member of House Tyrell, the second largest of the eight Great Houses in Westeros. Margaery was the only daughter of Lord Mace Tyrell and Lady Alerie Tyrell, she was a granddaughter of Lady Olenna Tyrell and sister of Ser Loras Tyrell. Her first appearance was as Renly Baratheon's wife, she marries King Renly who is the lover of her brother Loras, even though she is aware with their relationship. However, she became his wife and supporting him to be the King in order for her to be the Queen. After Renly was assassinated, she switch allegiance and intended to get married with King Joffrey Baratheon.

Joffrey agreed since he has heard of Margaery's beauty. Later, Margaery became Queen Consort through her marriage to King Joffrey Baratheon. Margaery was succeed in winning King Joffrey's hearts with her beauty and actions of manipulate that had the result of King Joffrey defending Margaery and criticizes his mother, Cersei Lannister. Following King Joffrey's death, Margaery was decided to marry his younger brother, King Tommen Baratheon.

Margaery sneaks into Tommen's bedroom and discusses rumors of their upcoming wedding. She began to manipulate Tommen on his fear if his mother found out, then made Tommen agree that she can visit him in secret again. Later, she seduce him by giving him a kiss on his forehead as she leaves his bedroom. Margaery was succeed in manipulating and seducing Tommen that made him in love with her. Moreover, she manipulates him to get rid of his mother from King's Landing since Margaery wanted to be the one in power. She said as long as Cersei stays in King's Landing, she will continue to treat Tommen as a little child. She succeed manipulating him as Tommen tries to convince his mother to leave King's Landing. Later, Margaery's brother, Loras was arrested by Faith Militant. Margaery confronts Tommen and manipulate him to free his brother to show his love for her. Tommen was trying to free Loras, and Margaery was being arrested and imprisoned. Margaery was still loyal to her family and told her grandmother, Olenna to return to the Highgarden. As a result, at Loras's trial in the Great Sept of Baelor, Margaery realized that Cersei is plotting to harm them due to Cersei's absence. The final story of Margaery Tyrell was her death along with everyone in the Great Sept of Baelor because of the explosion of wildfire caused by Cersei,

which also caused the death of King Tommen Baratheon who commits suicide after he sees the burning sept from his chambers and knowing that Margaery is dead.
