

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

Based on discussion and job training carried out by the writer for approximately 4 weeks at Lokawisata Baturraden, it can be concluded that the making of this English virtual booklet will greatly assist the Lokawisata Baturraden in providing information and as a media of communication. This English booklet is in the form of a file that can be accessed via link or barcode using smartphones, laptops, and other devices connected to an internet so that it can help the tourists to get complete information. Links or barcodes will be spread and posted at various points, especially in the information centre. This English virtual booklet is made with an attractive design and the writer also pays attention to the detailed information included. In this modern era, people will definitely use devices such as their smartphones more often, so with this English virtual booklet it is hoped that it can help tourists, especially foreign tourists to get complete information.

B. Suggestion

Based on the result of the job training, the writer has a suggestion that are expected to be used as evaluation material for Lokawisata Baturraden, including the following:

1. The design of English virtual booklet can be more attractive in terms of content, layout, photo selection, color selection, and background.

2. The employees of Lokawisata Baturraden can be more active in managing social media so that it is known by the wider public.
3. The employees of Lokawisata Baturraden should be given general English training so they can communicate with foreign tourists.
4. The employees of Lokawisata Baturraden need to hold a special forum for periodically evaluation with parties involved in the management of Lokawisata Baturraden so stay focus and stay on their respective duties.
