

CHAPTER V

CLOSING

A. Conclusion

Based on the research results in the previous chapter, the following conclusions can be drawn:

1. Implementation of Family Learning Center Programs and Services (PUSPAGA) in Realizing Community Welfare in the Banjar Patroman City Women's Empowerment and Child Protection Social Service has been implemented well. This can be seen with the following parameters:
 - a. Good Family Learning Center Promotion Program
 - b. Good Family Learning Center Facilitation Program
 - c. Good Family Learning Center Service Program
 - d. Good evaluation of Family Learning Center programs and services
2. Factors that tend to influence the implementation of family learning center programs and services in realizing community welfare at the Banjar Patroman City Women's Empowerment and Child Protection Social Service are the supporting and inhibiting factors. Supporting factors include, the availability of rules and guidelines regarding Family Learning Centers, good promotional programs which include socialization, activities and education, availability of programs and services, good assistance for people who need them, the existence of commitment from society, indeed synergy between DINSOSP3A, PUSPAGA team and partners, village coordinators, partners and the community. Inhibiting factors include, lack of Human Resources

(HR), lack of budget, unavailability of applications as a place for complaints, lack of budget, lack of coordination between DINSOSP3A, PUSPAGA team and village coordinators, partners and the community, lack of facilities and infrastructure.

B. Suggestion

Based on the results and discussion of the research, the author provides suggestions to the parties, namely:

1. Expected Ministry Women's Empowerment and Child Protection of the Republic of Indonesia to increase the number of Human Resources (HR), especially the PUSPAGA Team and Assistants so that efforts to resolve family problems and effort Improving community welfare through the Family Learning Center (PUSPAGA) program can be implemented effectively and optimally.
2. It is hoped that the Banjar Patroman City Women's Empowerment and Child Protection Social Service will continue to maintain its efforts in resolving family problems and improving community welfare through the Family Learning Center (PUSPAGA) program, namely by creating an application as a place for public complaints, adding facilities and infrastructure, repair coordination between the Women's Empowerment Social Service and Protection Child (DINSOS P3A), the PUSPAGA team with village coordinators, partners and the community.
