The writer assists the immigration technology, information, and communication division such as creating content for Instagram feeds, Twitter, Facebook, and TikTok and assisting in the Customer Service section. The writer created a video project about guidelines for foreign students applying for Student ITAS. In the video, the writer explains the requirements for Student ITAS, the cost of Student ITAS, the flow of applying for Student ITAS. Furthermore, the video project will be uploaded on YouTube, Instagram.

B. Suggestion

After doing this activity, the writer has some suggestions. The first suggestion is about attitude. When we do a job training at the Cilacap Immigration Office or anywhere else. The first thing that must be considered is an attitude towards everyone, both fellow colleagues and employees. Second, how to dress, use polite and neat clothes. Use clothes that are neutral in color and not tight. Third, always be active in asking questions to gain new knowledge.
