

## ABSTRAK

Perundungan adalah bentuk pelanggaran etik dasar dan hak asasi manusia yang berdampak buruk terhadap pelaku, korban dan juga lingkungan sekitar. Di Indonesia, angka perundungan ini cukup tinggi. Perundungan dapat menimbulkan dampak yang serius pada kondisi psikis korban. Bahkan, perundungan juga dapat mempengaruhi perubahan perilaku korban. Tindak perundungan dan perubahan perilaku pada korban juga dapat dilihat pada novel *Imperfect* karya Meira Anastasia. Perubahan perilaku tokoh dalam penelitian ini dianalisis menggunakan teori Psikodinamik. Hasil analisis dalam penelitian ini diantaranya: (1) Bentuk perundungan dalam novel *Imperfect* karya Meira Anastasia, yaitu perundungan verbal, perundungan relasional, dan perundungan siber (*cyber bullying*); dan (2) Perubahan perilaku tokoh Meira dalam novel *Imperfect* karya Meira Anastasia.

**Kata Kunci:** novel *Imperfect*, perubahan perilaku, perundungan, psikodinamik.

## ABSTRACT

*Bullying is a form of violation of basic ethics and human rights that has a negative impact on the perpetrator, victim and also the surrounding environment. In Indonesia, the rate of bullying is quite high. Bullying can have a serious impact on the psychological condition of the victim. In fact, bullying can also influence changes in the victim's behavior. Acts of bullying and changes in behavior in victims can also be seen in the novel Imperfect by Meira Anastasia. Changes in the behavior of the characters in this study were analyzed using Psychodynamic theory. The results of the analysis in this research include: (1) Forms of bullying in the novel Imperfect by Meira Anastasia, namely verbal bullying, relational bullying, and cyber bullying; and (2) Changes in the behavior of the character Meira in the novel Imperfect by Meira Anastasia.*

**Keywords:** *Imperfect novel, behavior change, bullying, psychodynamic.*
