

## **ABSTRAK**

Penelitian yang berjudul “Dampak *New Southern Policy* Korea Terhadap Hubungan Kerja Sama Ekonomi Politik Indonesia-Korea Selatan Tahun 2017-2019” ini dianalisis berdasarkan konsep interdependensi dan teori kerjasama internasional. Fokus penelitian ini adalah menganalisis mengenai bagaimana dampak kebijakan *new southern policy* Korea terhadap hubungan kerja sama ekonomi politik Indonesia-Korea Selatan pada tahun 2017-2019 dengan memfokuskan pada hubungan perdagangan, investasi, finansial dan politik. Hubungan tersebut akan membawa kedua negara pada kerja sama bilateral.

Berdasarkan data-data yang diperoleh, adanya kebijakan *new southern policy* Korea membawa dampak pada peningkatan hubungan kerja sama ekonomi politik Indonesia-Korea Selatan. Hal ini dikarenakan kebijakan *new southern policy* membawa kedua negara pada peningkatan status hubungan kedua negara menjadi *special strategic partnership*. Dimana status tersebut dilandaskan kesamaan prinsip dan nilai-nilai demokrasi, HAM, dan ekonomi terbuka. Lalu dalam implementasinya, kebijakan *new southern policy* membuatkan kerja sama kedua negara dimana menargetkan perdagangan sebesar US\$ 30 Milyar pada 2022 dan menghasilkan nota kesepahaman dengan investasi sebesar US\$ 6,2 Milyar pada 2018. Hubungan kedua negara diyakini akan semakin meningkat mengingat pemenuhan akan kebutuhan masing-masing dan situasi global yang tidak menentu.
